

Application Guidelines for Anniversary Events: 50th Anniversary of the Basic Treaty of Friendship and Co-operation between Australia and Japan

Australia and Japan will mark the 50th anniversary of the signing of the Basic Treaty of Friendship and Co-operation between Australia and Japan in 2026. Applications are now open for events, initiatives and activities that will celebrate or promote the 50th anniversary. Eligible events will be approved to use the 50th anniversary logo and will receive access to a branding package. We are accepting applications for events organised by local governments, companies, private organizations, etc., during the period from January to December 2026. Following review, eligible events will be approved as Anniversary Events for the 50th Anniversary of the Signing of the Basic Treaty of Friendship and Co-operation between Australian and Japan.

1. Eligibility

Events must meet all of the following criteria:

1. They must take place in Japan or Australia during the period from January 1, 2026, to December 31, 2026.
2. They must contribute to promoting exchanges, enhancing mutual understanding, and strengthening friendly relations between Australia and Japan across various fields, including economics, society, arts, academia, sports, and tourism.
3. They must not be primarily for profit-making.
4. They must have clear objectives and content and demonstrate a high likelihood of realisation.
5. They must not be intended to promote specific ideologies, beliefs, or religions, and must not violate public order or morals.

2. Benefits of Anniversary Events

Approved events may identify themselves as Anniversary Events for the 50th Anniversary of the Signing of the Basic Treaty of Friendship and Co-operation between Australia and Japan. They may also use the 50th Anniversary logo on promotional materials (posters, pamphlets, websites, signage, banners, etc.). Additionally, approved events will be listed on the websites of the Embassy of Australia in Japan and the Embassy and Consulates-General of Japan in Australia.

4. Post-event reporting requirements

For approved Anniversary Events, please email the following documents to the same contact used for application within three months after the event is completed.

- Completion Report ([PDF](#)   / [Word](#) )

Please Note

1. The review process typically requires approximately two weeks. Please submit your application well in advance. (We may request additional information regarding your application)
2. We are unable to respond to inquiries regarding the review progress or reasons for the application outcome.
3. The organizer bears full responsibility for implementing the event. Approval as anniversary events do not impose any financial or other obligations on the governments of Japan and Australia. No financial support or subsidies will be provided for approved events.
4. This approval is granted solely as part of the anniversary events for the 50th anniversary of the signing of the Basic Treaty of Friendship and Co-operation between Japan and Australia and does not constitute approval of the content or purpose of the implemented events.
5. Should any changes occur in events, please report them without delay. If the revised event no longer meets the eligibility criteria, the approval may be revoked. Additionally, if the event is cancelled, please also report this without delay.
6. Even after approval is granted, if the event is subsequently deemed inappropriate as an anniversary event for the 50th anniversary of the signing of the Basic Treaty of Friendship and Co-operation, the approval may be revoked.
7. Unauthorized use of the logo, including its use for other events conducted by the organizer or by other organizations, is prohibited.
8. We may utilize information from the submitted Completion Report in documents that will be released in public.
